

EVALUATION OF PROFESSIONAL STAFF
(Administrators Both Professional and Support)

To assist administrators in the development of their professional abilities, to provide information for employment decisions and to comply with mandates of Ohio law, the following procedures are employed by the Superintendent/designee in evaluating administrative personnel.

1. An initial meeting is held by the Superintendent prior to the school year with the assistant superintendents and administrators to discuss specific measurable objectives and plans for their achievement. A statement of these objectives and plans is submitted by each administrator to the Superintendent/designee at a time specified. These objectives and plans are written and maintained in each administrator's personnel file.
2. The evaluator employs the evaluation criteria which are designed to measure the administrator's effectiveness in performing the duties set forth in his/her written job description. All administrators will be evaluated prior to the end of their contract year. The evaluator will also assess the administrator's progress in meeting plans and objectives set for that school year. Areas of outstanding, satisfactory and poor performance will be noted. The Superintendent/designee will meet with each administrator to discuss the written evaluation. The evaluatee is given a copy of the evaluation and has an opportunity to discuss the evaluation with the evaluator at this second meeting.
3. An ongoing dialogue concerning the administrator's objectives will continue and the evaluator and evaluatee will meet as needed or requested.
4. For those employees whose contracts are expiring at the end of the current school year two evaluations must be completed. A preliminary evaluation must be received by the employee at least 60 days prior to any Board action on the employee's contract. A final evaluation must include the Superintendent's intended recommendation for the contract of the employee. A written copy of the final evaluation must be provided to the employee at least five days prior to the Board's action to renew or non renew the employee's contract.
5. The employee may request a meeting with the Board prior to any Board action on his/her contract. The employee may have a representative of his/her choice at the meeting.
6. Assistant superintendents, principals, assistant principals and other administrators are automatically re-employed for a period of one year, or for two years if such person has been employed by the District for three or more years, if they are not evaluated according to State law or provided a meeting, if requested, to discuss their renewal or non-renewal.
7. All evaluation criteria, procedures and written job descriptions are reviewed annually by the Superintendent/designee and revised as necessary.
