

SCHOOL BOARD ELECTIONS

As established by law, members of the board of education are elected at large by the qualified voters of the district on a nonpartisan ballot on the first Tuesday following the first Monday in November in odd-numbered years.

The term of office is four years, or until a successor is elected and qualified, and begins on the first day of January after the election. Terms shall expire on December 31, except as otherwise provided by law.

Candidates for election are nominated by petition. The petition must be signed by 25 qualified electors of the school district, or not less than one percent of the number of school district electors who voted for governor in the last election, whichever is the greater. Petitions must be filed 75 days before the election.
